

Support and resources for your patients taking OFEV

**Help your patients along
their treatment journey**

**A comprehensive suite of services is available
to your patients taking OFEV (nintedanib)**

- **Compassionate, clinical, and logistical support**
- **Educational programs**
- **Access and reimbursement assistance**

OFEV is available through partnering specialty pharmacies

THE SPECIALTY PHARMACY WILL DELIVER OFEV (nintedanib) DIRECTLY TO YOUR PATIENT’S HOME

COMPLETE the Prescription Form, available at OFEVhcp.com

SUBMIT the OFEV Prescription Form by faxing it to one of the participating specialty pharmacies or electronically through iAssist

OFFER enrollment in OPEN DOORS®, a patient support program for patients receiving OFEV

iASSIST IS AN ELECTRONIC PORTAL FOR SUBMITTING PRESCRIPTIONS THAT MAY HELP SAVE TIME OVER FAXED, PAPER-BASED SUBMISSIONS BY:

- Expediting the time spent creating an OFEV prescription
- Automatically completing required patient insurance data to reduce submission errors
- Automatically initiating prior authorization support
- Allowing for easy electronic enrollment in the OPEN DOORS® Patient Support Program by your patient or their caregiver

iAssist  **Create an account today at AssistRx.com**

Patients will receive a welcome kit with their first OFEV delivery

Take advantage of locally based personnel who can assist with patient access

REIMBURSEMENT AND ACCESS SPECIALISTS CAN HELP PROVIDE SUPPORT THROUGHOUT THE FULFILLMENT PROCESS, INCLUDING:

- Helping you manage the OFEV fulfillment process
- Helping to educate staff on process or payer issues related to patient OFEV prescriptions
- Contacting the specialty pharmacy or OFEV Bridge Program to help you navigate the OFEV process
- Providing in-person, phone, or email assistance

Ask your OFEV Sales Consultant or Clinical Educator to put you in contact with your Reimbursement and Access Specialist

FINANCIAL ASSISTANCE PROGRAMS ARE AVAILABLE TO HELP PATIENTS GAIN ACCESS TO OFEV

OFEV Commercial Co-pay Program

- Provides assistance for eligible, commercially insured US residents aged ≥18 years and enrollment is handled by the specialty pharmacy
- Patients pay as little as \$0 per month (monthly cap of \$10,000, with an annual cap of \$160,000)
- No physical card to track

OFEV Bridge Program

- Temporarily provides a 15-day supply of OFEV, with up to 3 additional 15-day refills, to eligible patients in case of insurance plan delay
- A payer delay can include a gap in coverage ≥7 days or prior authorization denial

OFEV has Medicare and commercial coverage on all national plans¹

Provide your patients with access to a personal OFEV care team, designed to help meet their needs

OPEN DOORS® AND THE PERSONAL OFEV CARE TEAM FACILITATES AN INFORMED AND PROACTIVE APPROACH TO DISEASE MANAGEMENT. THE PERSONAL OFEV CARE TEAM INCLUDES:

Nurse Counselor

- Helps patients understand their disease
- Answers patient questions about treatment with OFEV (nintedanib)
- Available 24/7

Social Resource Specialist

- Calls patients periodically to see how they're doing
- Finds local support for patients and/or caregivers
- Helps to identify local social services, like meal delivery, in-home support, or rides to doctor appointments

Case Manager

- Helps patients explore financial assistance options
- Assists in identifying benefits eligibility
- Coordinates paperwork, such as prior authorizations

Offer your patients enrollment in OPEN DOORS® when OFEV is prescribed, so they can start taking advantage of services immediately

*Standard data rates may apply.

Encourage your patients to meet with an OFEV Clinical Educator

EDUCATIONAL PROGRAMS FOR PATIENTS AND THEIR CAREGIVERS OFFER:

A range of information

- About living with their disease
- What to expect from treatment
- How to get medication

A variety of forums

- One-on-one sessions in the office or in a community setting near the patient's home
- Small group classes with caregivers and family members
- Support groups
- Live video calls
- Translation services

Follow-up session

- One follow-up informational session to answer any questions and to reinforce information

EDUCATIONAL PROGRAMS FOR YOUR PRACTICE OFFER:

Education on the continuum of care

- Information for an accurate and timely diagnosis
- Support and training on the use of OFEV

Assistance with support groups

- Can help establish a support group or speak at one

Initiate a program by calling OPEN DOORS® at 1-866-OPENDOOR (673-6366) or by asking your local OFEV sales consultant or Clinical Educator

OFEV Patient Mentors can help inspire and motivate other patients living with the same disease by sharing their story

CONNECTING WITH AN OFEV (nintedanib) PATIENT MENTOR WHO IS EXPERIENCING SIMILAR DAILY CHALLENGES AND TRIUMPHS CAN BENEFIT YOUR PATIENTS

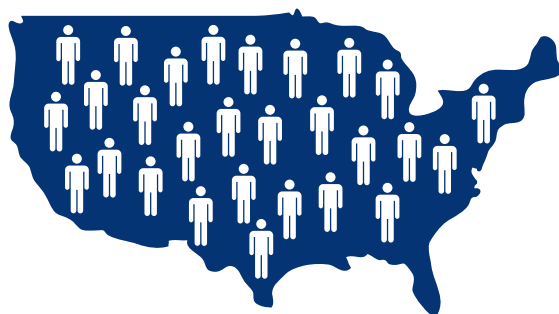

LEARN FROM
OTHERS' PERSONAL
EXPERIENCES

BE EMPOWERED TO TAKE
A PROACTIVE APPROACH
TO MANAGING THEIR DISEASE

GAIN THE SUPPORT OF
OTHER PATIENTS WHO ARE
JUST LIKE THEM

PATIENT MENTORS ARE AVAILABLE ACROSS THE UNITED STATES

Invite a Patient Mentor to speak at a support group, advocacy event, or group clinical education class by contacting your Clinical Educator or Sales Consultant

OFEV Patient Mentors are available for one-on-one phone calls with patients taking OFEV*

THE OFEV MENTOR CONNECTIONS PROGRAM IS THE ONLY PHONE-BASED MENTOR PROGRAM

PATIENTS CAN TALK ON THE PHONE
TO A MENTOR ABOUT MANAGING
THEIR DISEASE AND TAKING OFEV

CALLS ARE ONE-ON-ONE FOR
PERSONALIZED HELP AND
SUPPORT

Patients can call 1-855-378-5073 to schedule their one-on-one appointment

*This program may not be available to all patients. Ask your OFEV Sales Consultant for which patients would be eligible.

OFEV offers comprehensive support for patients on treatment and their caregivers

Help your patients take an informed and proactive approach to disease management through education, support, and OFEV (nintedanib) access

Offer your patients and their caregivers an individualized educational program to help them understand their disease and how to manage it

Inspire and empower your patients with the personal stories and experiences of the OFEV Patient Mentors

Visit OFEVhcp.com for information and resources that can help support you, your practice, and your patients
